

Captain Christopher Kip  
Columbia Fire Department

---

Dear Mr. Rountree and the Pull-A-Part team,

On Sunday, February 7, 2010, you allowed several fire companies from the Columbia Fire Department to practice emergency extrication techniques using your facility on Monticello Road and three donated cars. I wanted to thank you on behalf of all the men for providing us this opportunity. Such practice is invaluable to us and, ultimately, to the public we serve. Thank you.

At your service,  
Captain Christopher Kip  
Engine 12, Third Shift
