"Teamwork with Commitment to Excellence, Compassion, and Immediate Community Protection"

9 February 2009

To whom it may concern:

The Fire Services Division of the City of Memphis, TN hereby expresses its profound appreciation to the owners, management, and staff of Pull-A-Part for their support of the Memphis community, by helping make possible realistic training for Memphis' fire fighters. Pull-A-part has demonstrated extraordinary commitment and generosity by donating time and resources that enable Memphis' first responders to gain meaningful experience practicing skills with the "Jaws of Life" and other critical rescue techniques.

The results of this ongoing partnership between the Memphis Fire Department and Pull-a-Part will surely help save lives of many Memphis citizens, as well as visitors to our city. Pull-A-Part is to be commended for taking a conspicuous role in supporting the civic life of Memphis. The Memphis Fire Department looks forward to our continuing relationship with this community leader.

Sincerely,

Lt. Michael W. Devore
Memphis Fire Department
